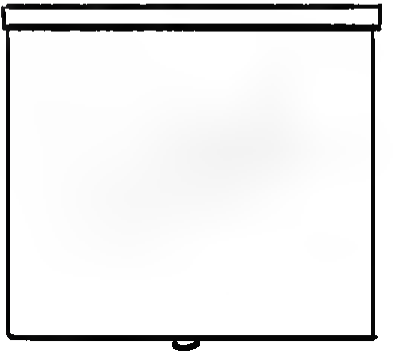
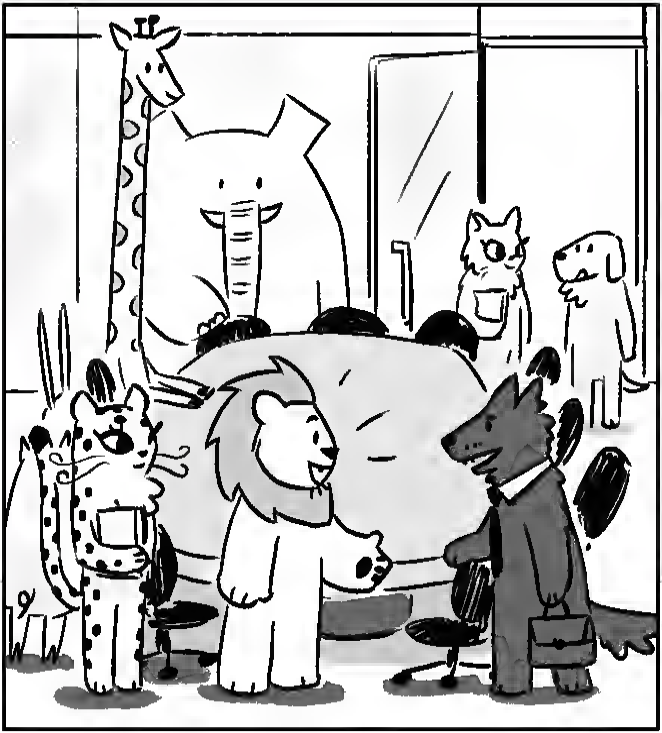
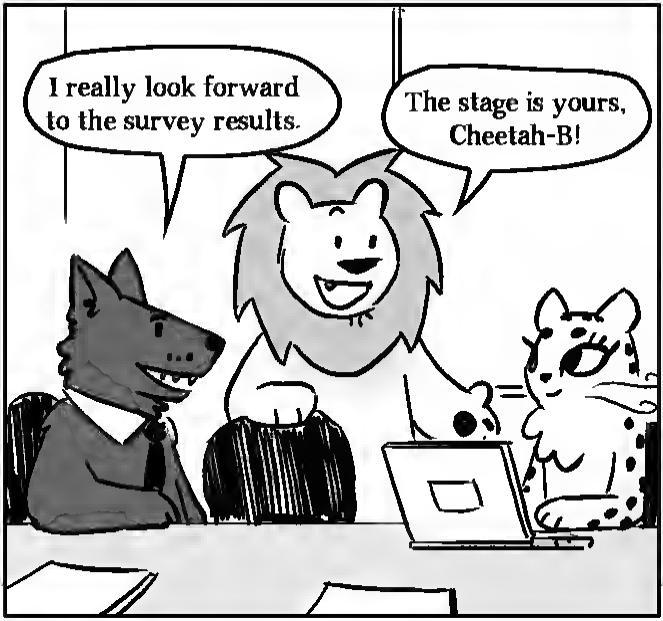
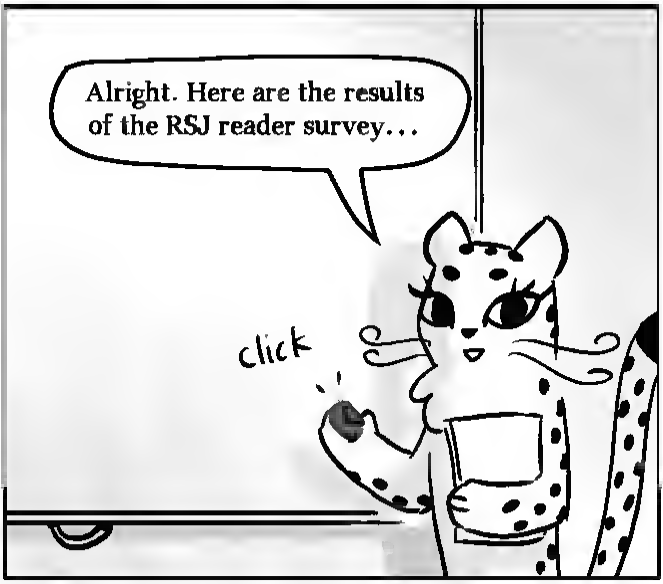
The Missing File







I really look forward to the survey results.
The stage is yours, Cheetah-B!



Alright. Here are the results of the RSJ reader survey...

Huh?
Why is it blank?

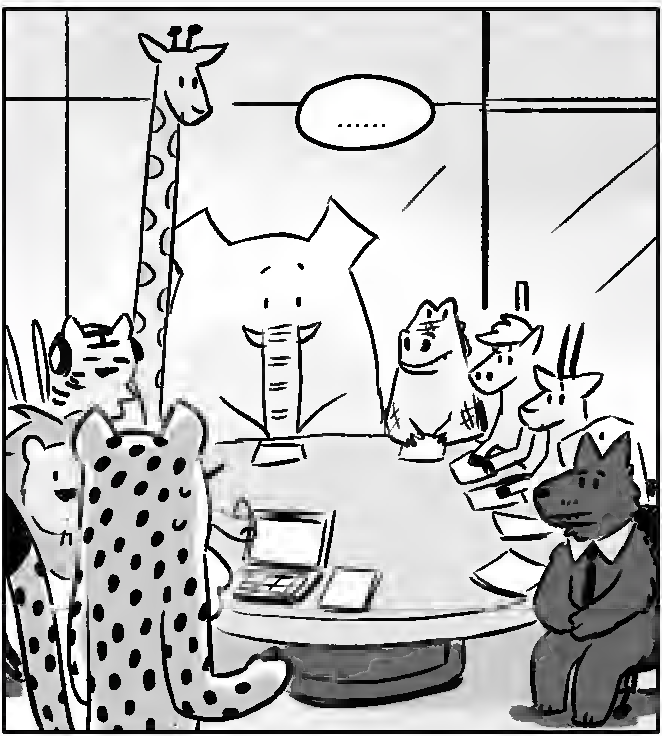
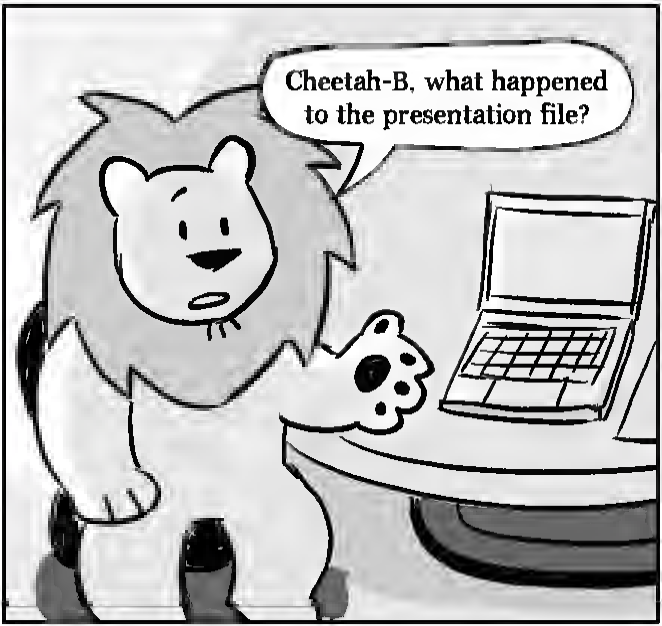
Where's the file?



What happened?
Did Cheetah-B made a mistake?
That's impossible!

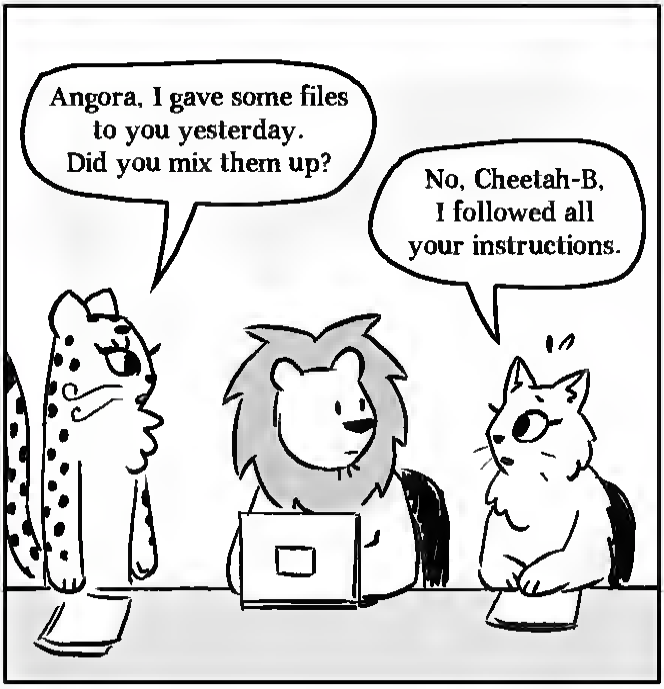


Cheetah-B, what happened to the presentation file?

I don't know...It was there when I finished it yesterday.
TAP TAP

Did you get it mixed up?
No, that's impossible.
I never make such a mistake.

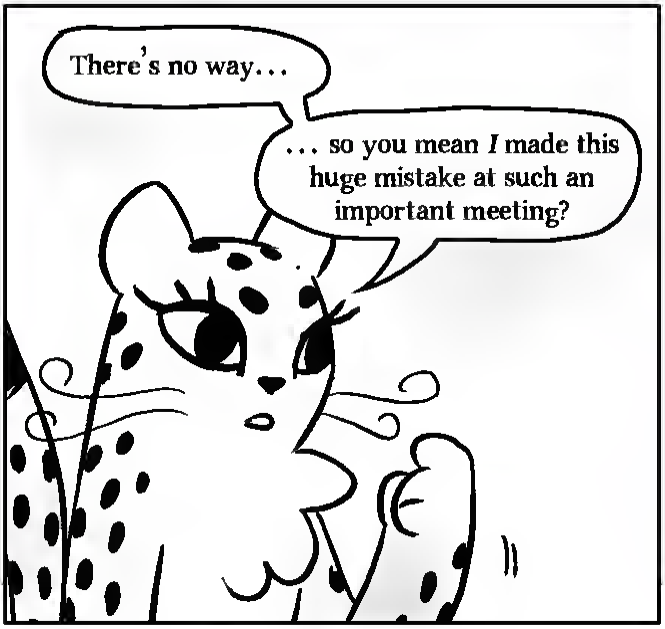
That's weird...



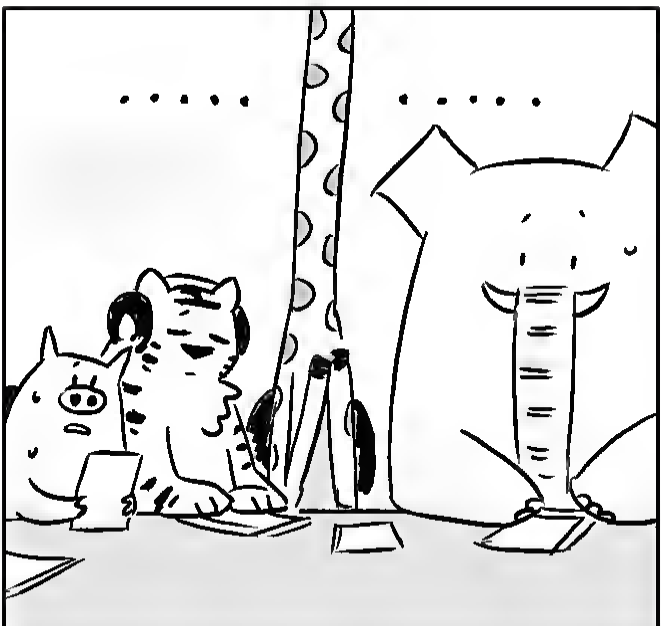
Angora, I gave some files to you yesterday. Did you mix them up?
No, Cheetah-B, I followed all your instructions.

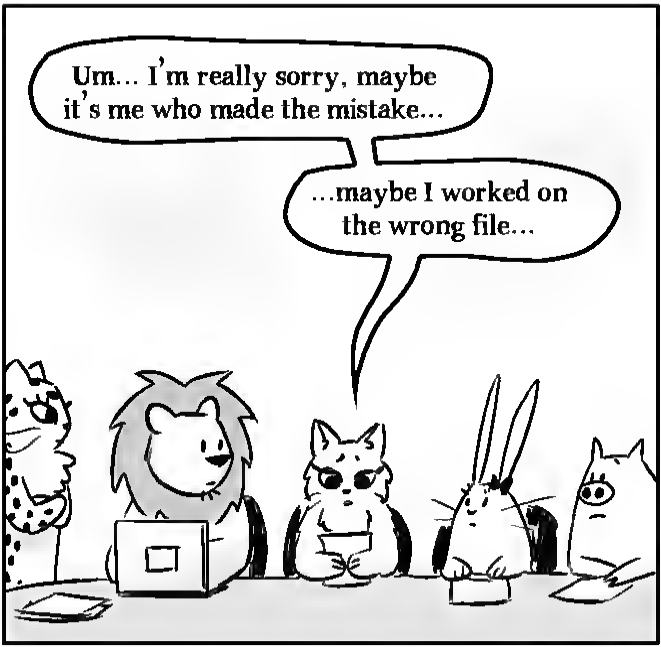
But you were the only one besides me who touched the presentation file.

I really don't know...
I only worked on the meeting minutes...I didn't see any presentation file.



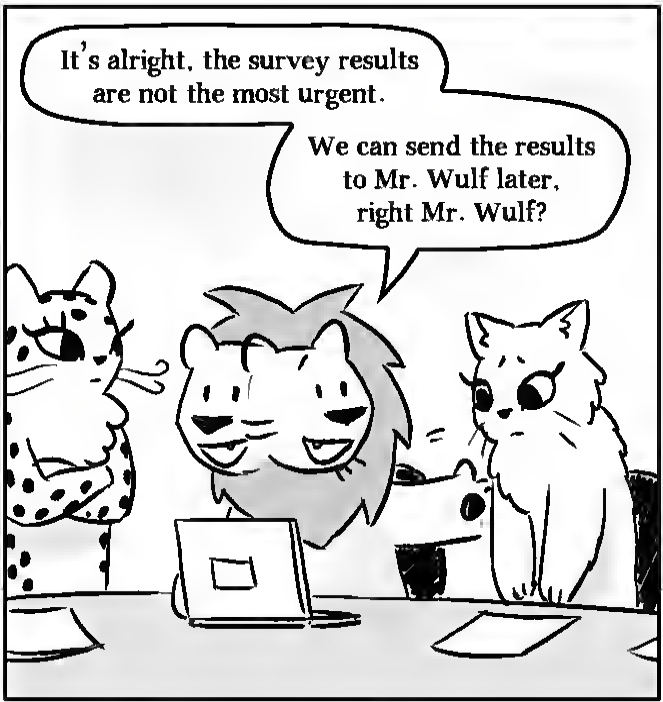
There's no way...
... so you mean *I* made this huge mistake at such an important meeting?





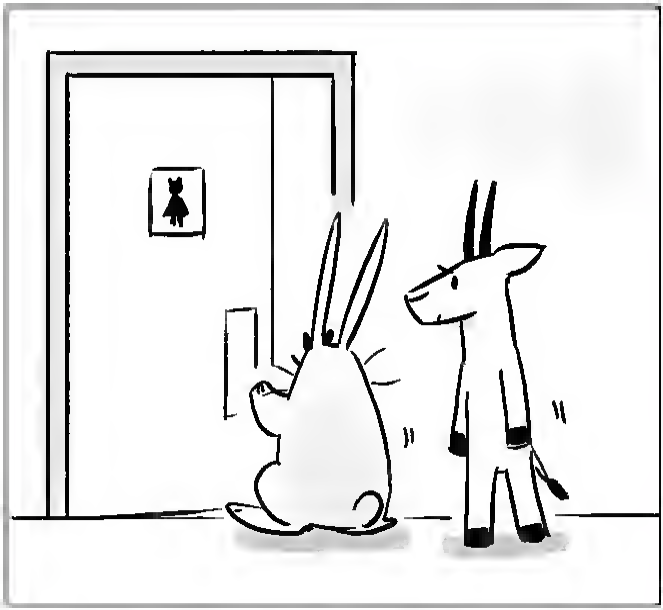
Um... I'm really sorry, maybe it's me who made the mistake...
...maybe I worked on the wrong file...

I'm so sorry Cheetah-B...
Sorry Leo, Mr. Wulf, sorry everyone...



It's alright, the survey results are not the most urgent.
We can send the results to Mr. Wulf later, right Mr. Wulf?

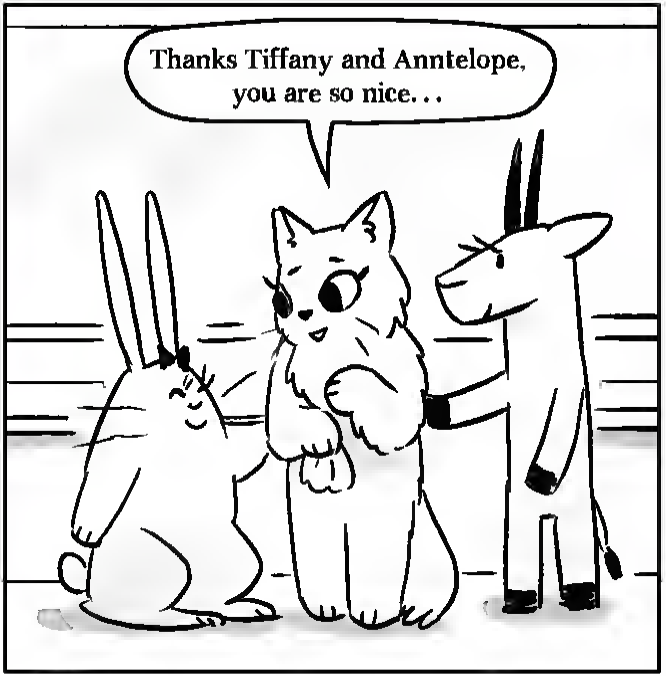
Sure, just send it to me by the end of the week.
Thank you so much Mr. Wulf! So sorry again.



Oh no, Angora - are you crying?

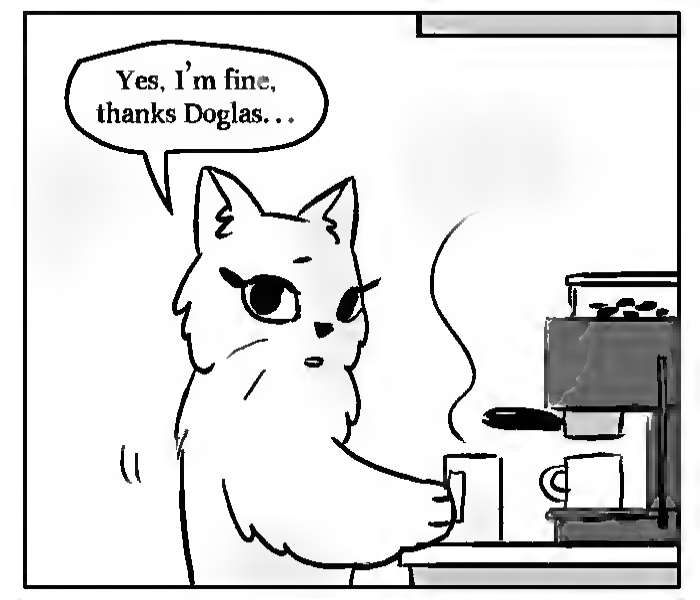
Don't be sad! Cheetah-B is too harsh on you!
No...Cheetah-B didn't do anything wrong...
It's all my fault...

It's alright Angora... thanks for stepping up and reducing the tension in the meeting.
We don't blame you.



Thanks Tiffany and Anntelope, you are so nice...

Angora,
are you alright?



Yes, I'm fine, thanks Doglas...

Hey Angora, you are a good cat!
Just ignore Cheetah-B, she always think she's the best!
I think you did well, Angora...

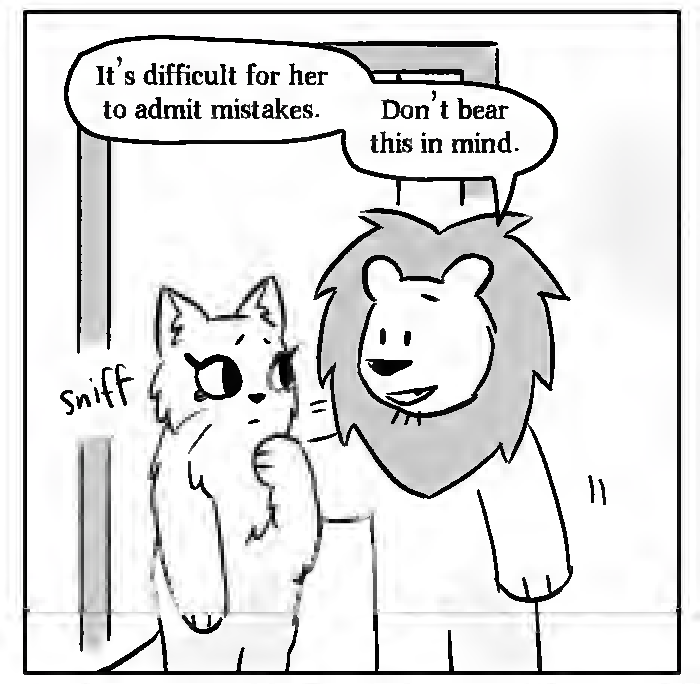
Take it easy.
We trust you as a responsible colleague.
Thank you so much, I'm so happy to have you guys around.

Excuse me Leo... may I come in?
Yeah!
Knock - knock

I'm so sorry Leo...I didn't know why this happened...
I really followed Cheetah-B's instructions...
You know I'd never disobey superiors...

I believe Cheetah-B shouldn't make mistakes like this, but I didn't want to make the situation look bad...
I...I...

It's okay Angora...
Sob
I know Cheetah-B, she is a serious perfectionist who doesn't allow herself to make any mistakes.



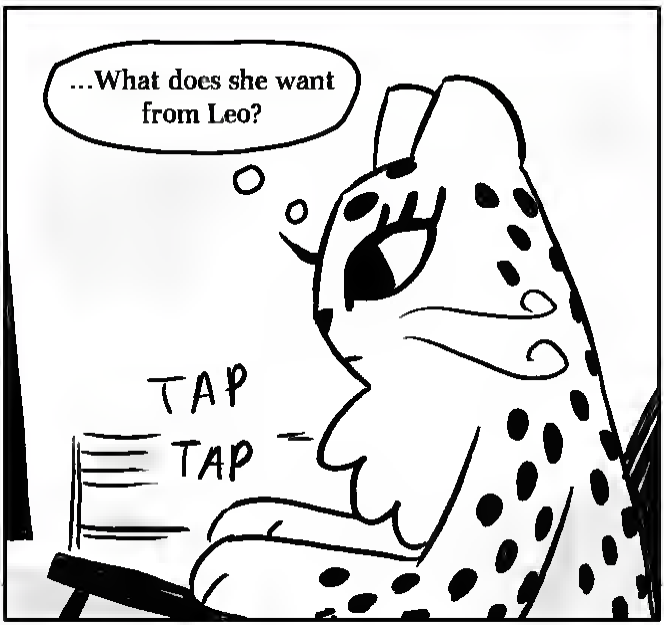
It's difficult for her to admit mistakes.
Don't bear this in mind.
Sniff

She probably overworked...
I'll talk to her later.

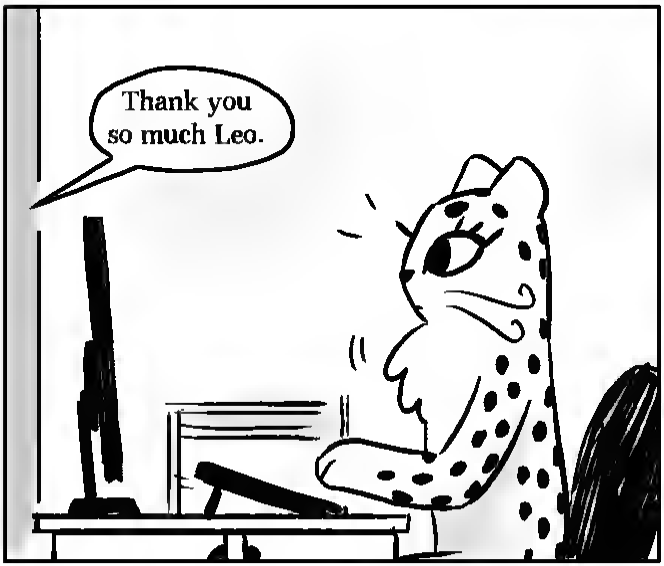
Thank you Leo, I'm so glad you understand me...

I bought some snacks, wanna try some?
Sure!

hahaha



...What does she want from Leo?
TAP
TAP

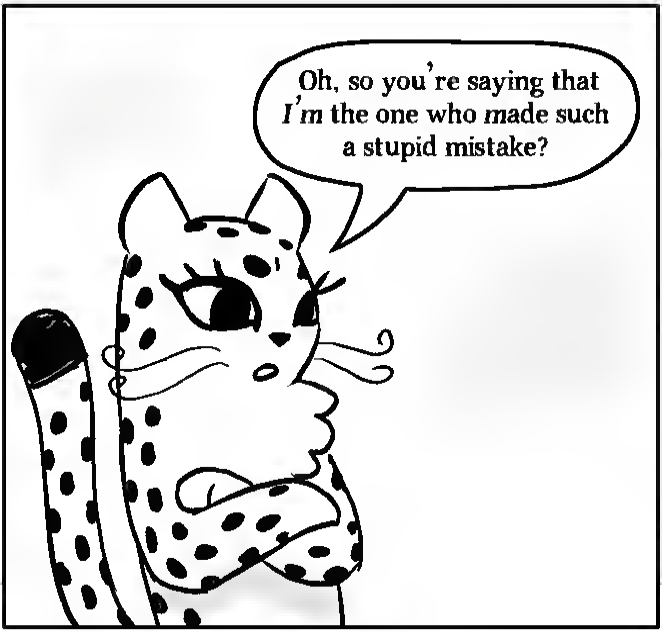


Thank you so much Leo.

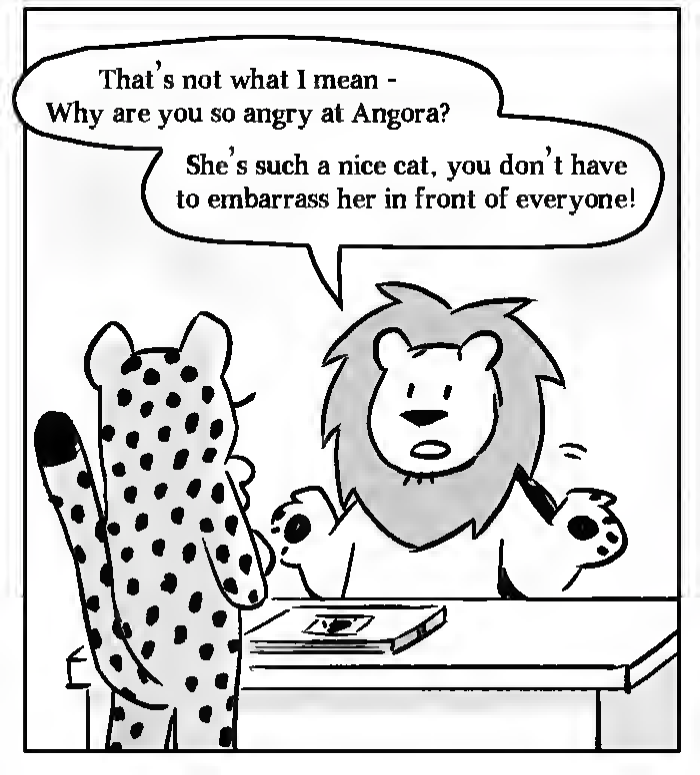
Hey Cheetah-B, can you come in for a second?

What?

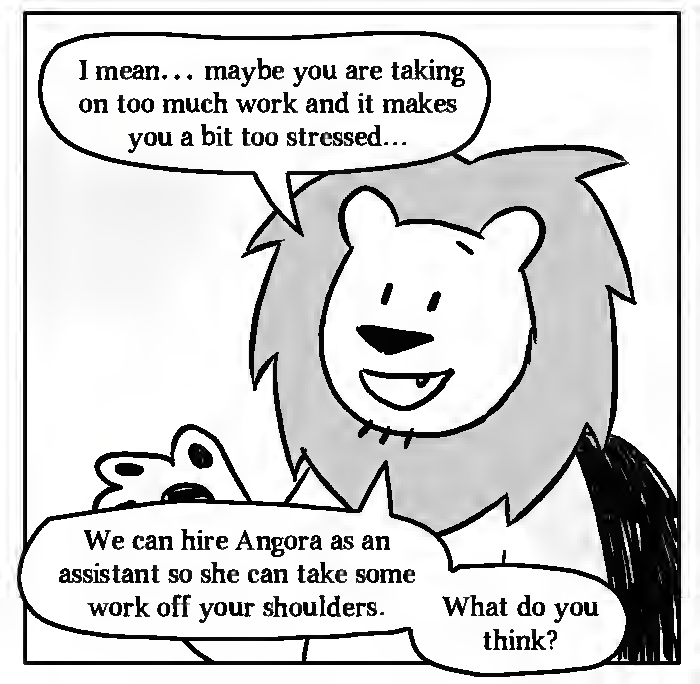
Listen...I know you are always smart, efficient and rarely make mistakes...
but are you sure you are right this time?
Weren't you the one who handled all the survey stuff and prepared the presentation?



Oh, so you're saying that I'm the one who made such a stupid mistake?

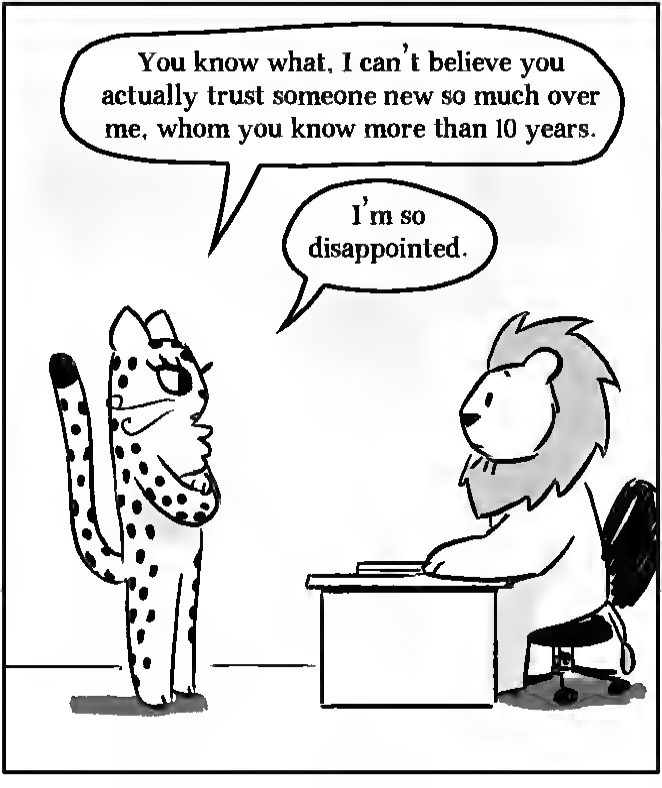


That's not what I mean -
Why are you so angry at Angora?
She's such a nice cat, you don't have to embarrass her in front of everyone!



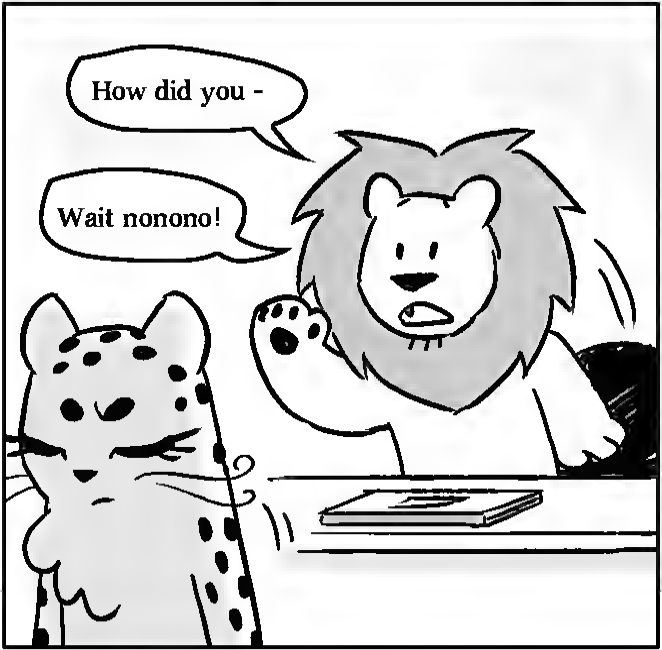
I mean... maybe you are taking on too much work and it makes you a bit too stressed...
We can hire Angora as an assistant so she can take some work off your shoulders.
What do you think?

...Are you done talking?



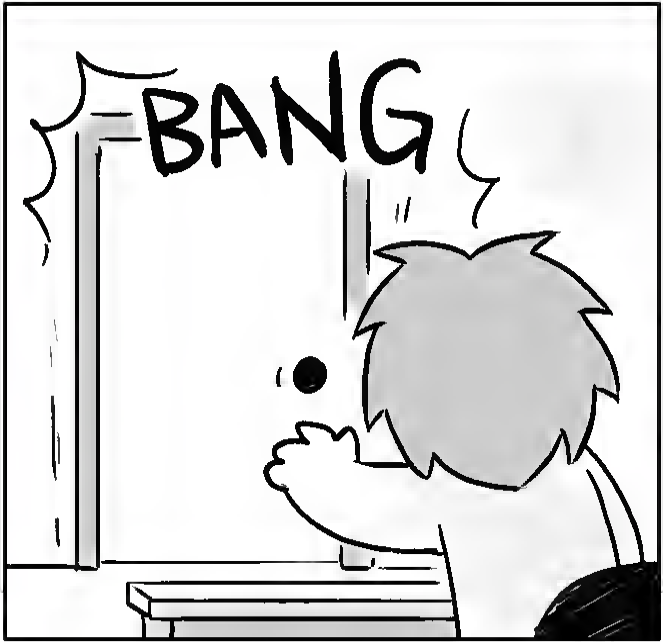
You know what, I can't believe you actually trust someone new so much over me, whom you know more than 10 years.
I'm so disappointed.

I know she's pretty and attractive, and I'm just "a serious perfectionist who doesn't admit her mistakes", right?



How did you -
Wait nonono!

Maybe you should ask her out.



BANG

BANG!

What have I done???
